Good Morning,

This is just a conversation between us, pertaining to your records request, trying to get to the root cause. If you leave a phone number and a good time I will reach out.

Thank you,
Rachel Mayer

Hi Rachel

I am happy to speak with you but would rather keep all of our communication through email. Unless, you agree to have all of our phone conversations recorded. I have been falsely accused of making up lies on the board so I am taking these measures to protect myself.

Thank You

Good Day Telisha,

I would like to schedule some time to speak with you, I am happy to answer any questions you may have about Copper Ridge Financials. You have made a records request and some of the items you are requesting are in the full set of monthly financials. Let me know a few days and times you are open and we can schedule.

Thank you,

Rachel Mayer
