Please see the attached letter that was sent through certified mail. I wanted to clarify that this is not a repeat request of what has already been sent, but only for the invoices, receipts and check images for the dates of 2/1/2022- 5/23/2022. The second request is for the petty cash reconciliation and discretionary funds accounts for the years of 2015-2022. If you need any clarification to save time and expenses feel free to contact me. This request has been sent through Certified Mail and was delivered on May 24th at 10:18 a.m.

Thank You
